## BRYANETTE says:

Have you missed me? It has been a l-o-n-g time since I have made a public appearance, but I promise you that I am back to stay-- IF you will help in the following ways:

1. PRAY for me. It does take time and planning to put my pages in order.
2. PAY for me. Just a little addition to your next gift for the alumni project would make the burden of my expense so much lighter.
3. WRITE to me. Let me know when there is some interesting news about yourself or your family--and it's so much more newsworthy when it's fresh!

Watch for my contribution to NEWSLETTE, too; maybe your name will find its way into those columns.

Will you have a new address this summer? Be sure to send your change promptly to the Alumni Office to avoid delay in getting mail from Bryan.

## ALUMNI HONOR GRADS

What did you like best in your social life on Bryan Hill? Was it a rugged hike to Laurel Falls or the seclusion of a campus bench? You'll have opportunity to reminisce about both on June 1--Alumni Day at Bryan.

The graduating class of 1957 with its 44 members will be the special guests of the Alumni Association, and you are invited to share with the local alumni chapter in acting as host to this 24th graduating class.

The local alumni committee has planned a "hike" by motorcade to Falls Creek Falls State Park for picnic supper with plans to return in time for that Saturday night date on the campus bench. Here are the details:

Leave Bryan Hill at 2:00 p.m. Sat., June 1  
Recreation period in the park 3:00-5:00

Hiking, swimming, chatting, etc.

Picnic supper near Cane Cr. Falls 5:00

Adults - 75¢; children - 45¢

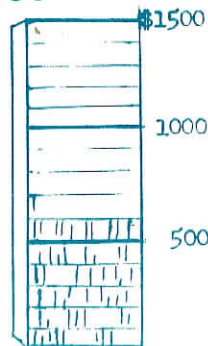

Guest speaker -- Dr. Lloyd E. Fish '35

May we count on you? Please send advance word by May 28 if you plan to attend.

## PROJECT PROGRESS

Wouldn't you like to share in the alumni project of putting more books on Bryan's library shelves? About 80 alumni members (out of a total of over 1200) have made contributions. A few gifts have purchased a complete set of books; others have chosen one or two books; be sure there is a place for the gift you will add.

Total gifts...\$609

Watch the alumni shelves fill up!

Adkins, Donehoo, Davis, Sierk, Spurlock

## JUST HERE AND THERE !

Paul Ardelean ('55) is stationed with the Navy in Hawaii with term to be concluded in December. On January 11, 1956 he married Jane Ann Brown of Pontiac, Michigan.

Mary Catherine (Hunter '53) Doss is teaching kindergarten in Springfield, Missouri, where her husband, Robert, is a student at Evangel College.

LaVerne (Howland '47) Tedder sends greetings from Independence, Mo., where her husband is pastor.

Sharon (Gilchrist '57) is living in Berkley, Michigan, since being married June 23, 1956, to Ralph Powell.

Adrienne Kerr ('56) and James Reese ('56) have set June 15 for their wedding in Hammond, Indiana.

Why don't you follow the good example of Kenneth Campbell ('56) (2nd from left) and bring some prospective students to get acquainted at Bryan! These three high school lads from Canada are meeting Dr. Rudd on the chapel steps.

## Chapter Chatter

April 21 was the date on which the Upper East Tennessee chapter held a meeting in Knoxville when Dr. Theodore Mercer spoke to the group and a team of Bryan Gospel Messengers provided special music. The Bryan representatives participated in Sunday services in Knoxville churches.

The three Bryan grads in the center of the picture are Fred Donehoo ('53), Mark Davis ('56), and Herbert Sierk ('55), talking with senior Harold Adkins and junior Jack Spurlock about grad school plans at the University of Tennessee where they are now enrolled. This team spoke to the students in chapel about graduate work.

Winona Lake Bryanites held a carry-in supper April 28 with Kenneth Kennard ('45), now of the Wheaton College philosophy department, as speaker. Ken wrote of his visit:

"Last week...we had the privilege of attending the alumni club supper at Winona Lake. How we enjoyed the evening! We only wished that we could meet all the present staff, faculty, and student body.

"It was 1951 when we last climbed Bryan Hill. How we would love to see the place now. . .

"We are so glad that we can have a part in providing facilities for the students at Bryan. Bryan has done much more for us than we can ever do for her. . ."

Have you had an area meeting that should be reported to fellow alumni? Or, would you like to have one in your area and need help in contacting alumni there? Your Alumni Office would be glad to hear from you.

## a NEW work

"Understanding the New Testament" is a recent publication from the pen of Howard C. Kee ('40) and Franklin Young. After receiving his Ph.D. from Yale University, Dr. Kee studied at the American School of Oriental Research in Jerusalem and participated in excavations of the New Testament Jericho. He taught undergraduate classes at the University of Pennsylvania and is now a professor of the Theological School of Drew University.

## HERE ON THE HOME FIELDS

Francis Neddo ('54), Sale Creek, Tenn., working with Cedine Bible Mission (for Negroes) requests prayer for 385 Youth for Christ magazines going to seniors in the high schools which he serves in East Tennessee. It will be the first Christian magazine to enter many homes and possibly the first Gospel message of any kind.

A note from Lavana (Fuller '50) and Robert (Tex '52) Williams in Dallas, Texas, says: "Tex works full time, doing Young Life work on the Associate-staff basis--until we can raise our support. He had 100 kids in the living room of a private home last Monday and this is not unusual. Rebecca Lynn (2½) and I stay home most of the time, but now we are closer to the church and a shopping area, so we will be enjoying lovely afternoon walks soon. Becky has a "playmate" due in June, an event she is surely looking forward to."

Alice McLeod ('56) (right in picture) came with Sandra Cue ('55) and Pearl Rathbun ('56) and is seen chatting with freshman Vera Fehl. Alice and Sandy are students at Moody and Pearl works in the TEAM office.

Calvin R. Miller ('44), Newport, Kentucky

"We moved to Newport on Dec. 1, 1956; I am rector of St. Paul's Episcopal Church. This is a downtown parish and we are working on a program to make the church a community center with a complete program of crafts, recreation, and an educational program all centered in the church.

Joeann (Enyart '54) and Arthur McManus ('56) have recently become missionaries with the Rural Home Missionary Association. They are located in Lyford, Indiana, near Terre Haute where Arthur is pastor of a new rural church.

Della (Huck '50) and Leslie Napier ('51)

"The Lord has blessed us here in our small rural church, and the people are growing in their knowledge of the Word. Leslie also teaches math to four sections of sixth grade students in the grade school in Culpeper.

"We have three children: Rebecca (5), Ruth (1½), and Samuel (8 mos.), who all enjoy going to Sunday school every Sunday. . ."

Naomi (Hildebrand '55) and Roger Walkwitz (former faculty) visited at Bryan just after completing their missionary internship in Detroit. They have been accepted by the Far Eastern Gospel Crusade for translation work in the Philippines, with plans to leave in September, D.V.

Mary (Grover '53) and David Naff ('52) spent several days on Bryan Hill renewing acquaintances and reporting their missionary plans for service with Radio Station ELWA in Liberia under the Sudan Interior Mission.

Alumni President Dick McIntosh ('52) says:

"I am well pleased with the amount which has come in toward the project. With a little pushing we should easily be able to go over what was given last year...We should be able to exceed a goal of \$1,200.

"I think we should definitely consider Dr. Mercer's suggestion in the recent NEWSETTE. If the alumni paid a portion of a person's salary, a more efficient schedule of work and effective program could be carried on."

## from the MISSIONARY

Lenora (Gearhart '54) and Armond Fritz ('54) accepted candidates for Africa with TEAM, write from St. Paul, Minnesota:

"During the past months, meetings have been held in many parts of chilly Minnesota.

"Out passports have been in for some time now. By the time you receive this letter, we will have sent in our visas.

"We will be ordering our truck this month, to be used in deputation work until we leave for the field (Southern Rhodesia, Africa.)"

May and Ben White ('40), with Central American Mission in Honduras:

"Last year was the best year ever in the bookstore, with a good increase in the Bible and Christian literature sales. Beginning this year "El Faro" has been made the depository of the American Bible Society for the section of Central and Southern Honduras.

"Margaret has gone back to school and is as happy as can be, but David has no one to play with. We miss her!"

Norma Sweeney ('53), a Child Evangelism missionary is in Graca, Salvador, Bahia, Brazil.

"The Lord has given Marilyn and me the privilege of starting two new Good News Clubs this month, right here in our own neighborhood. How glad we are that during these first two weeks of February we've been able to reach an average of 63 children and 21 adults with the Gospel."

Jean Pulkin ('49), also with CAM in Honduras

"In March my companion, Olivette Ekdahl, and I hope to go to the town...erect our simple building to house us as well as the clinic.

"I am hoping to see Grace (Pulkin '50) and Paul Gillespie ('50) soon...will begin printing ministry in Guatemala City, publishing Gospel and Christian literature in Spanish."

Charlotte (sp. '54) and Charles (Spud) Wiloughby ('55) under TEAM are on the first lap of their missionary career.

"Left Dec. 31, 1956, for Colombia; now in San Jose, Costa Rica, seeking for an open door to Colombia, if that is God's will."

## MAIL BAG!

Ruth and Clifford Hanham ('52) with Berean Mission in Cuba.

"The banquet closing the third year of the Bible Institute will be on the 20th (April).

"In our last letter we asked that you pray definitely about the telephones that were taken from us when we entered the country... The Lord has definitely undertaken and they are now in our possession and are hooked up. We shipped two barrels of things in November and they have not arrived yet . . .

"Last month I had to go to Havana to pay the duty on the car, and when about half-way there, heard that the Havana University students had attacked the president's palace. Soldiers all along the way stopped us, but we went through without difficulty. In arriving in Havana, I was able to conclude my business in a couple of hours, which is a real miracle down here...I met the Spanish teacher (Mary Alice Greider) and a student (Evon Smith) from Bryan University who came on the plane and visited us for a week."

Marlys ('54) and David Huey ('53) with Wycliffe Translators write from the Philippines.

"As you receive this letter, Eric (another missionary) will have completed his first draft of the Gospel of Mark. Now when we return we need much prayer as we go over it with him, checking, correcting, revising..."

"David recently went on two surveys, looking for suitable places for more translators, ...Marlys stayed busy working with the native nurse in Daklan on a Medical Handbook in the language. Every time the bus came, Mona Fern would ask, "Daddy, coming?"

Hazel (Waller '43) and Orville Carlson continue pioneering in Thailand under Overseas Missionary Fellowship.

"Orville has been gone almost four weeks surveying the tribes of Laos...They estimate as high as 300,000 tribal people in the area.

"Mary Sue left the 29th of January, is happily settled in school. Baby Beth is over two months old and doing very well. She smiles and smiles at us now. Rachel continues to be happy at kindergarten. She can write her name upside down and right side up."

Betty (Hanna '51) and Charles Taber ('51) write from Clamart (Seine), France:

"Our trip over on the S.S. United States was a remarkably good one for January... we enjoyed fellowship with a large group of missionaries...among them Mark Levengood ('42) and his wife... In one of her classes Betty found a missionary lady who turned out to be the wife of Wesley Bookamer ('51) who started at Bryan with us in 1947. Our hope is to stay through August so that with concentrated courses and private tutoring Betty ought to be ready for the examination (for superior diploma) in August."

Melba (Mays '55) and Ralph Maynard ('54)
